Bringing people together

Impressions made to last

When it comes to corporate events, we pride ourselves on being the ultimate partner in bringing your vision to life. The Batman to your Robin, the Thelma to your Louise, we're down to be business BFF's to help you pull off whatever you're dreaming up.

And if you're tapped out on ideas, we're brimming. We'll gladly open the vault to our ideas bank to create something inspired, unexpected and a little bit different.

We've made it our business to showcase your business in all its glory. Whether it's for a conference, team-training or brand launch, we'll find you the perfect corporate event venues that ticks every box on your list. Not only do we want you to look good, but we want your guests to have a blast, too.

Catering's our specialty and we're into building meaningful and connected relationships through vibrant and contemporary food. Boring and bland just doesn't cut the mustard and our MEG chefs are ready to whip up a menu that's got something for everyone.

Collaboration is key and we'll work closely with you to create an event that's tailored to meet all your needs while keeping your mission and purpose in focus.

You've got good taste

Catering's our jam and when it comes to food, we don't mess around. It's not over-complicated or intimidating – we're the sweet spot where careful abundance and quality ingredients meets simplicity. In short, nobody's going home hungry.

Family is at the core of everything we do and our food philosophy is no exception. Our aim is for you and your guests to feel like you've been welcomed into our home – experiencing the best in beautifully simple flavours and presented in a way that helps you connect with the people around you. Every important moment should always be around a table full of incredible food – with all the colours, textures and tastes you'd expect from your favourite home-cooked meal.

We're really into celebrating and elevating food while caring for the environment. With a particular focus on fresh, seasonal and local produce, we do our best to lower the kilometres of our food.

You've got good taste and we're here for it. Got a specific style in mind? Allow us to create custom menus to suit your event needs. Try us, we don't bite.
