Seated Lunch or Dinner Menu

Filling cups, bellies and hearts

You've got good taste

Catering's our jam and when it comes to food, we don't mess around. It's not over-complicated or intimidating – we're the sweet spot where careful abundance and quality ingredients meets simplicity. In short, nobody's going home hungry.

Family is at the core of everything we do and our food philosophy is no exception. Our aim is for you and your guests to feel like you've been welcomed into our home – experiencing the best in beautifully simple flavours and presented in a way that helps you connect with the people around you. Every important moment should always be around a table full of incredible food – with all the colours, textures and tastes you'd expect from your favourite home-cooked meal.

We're really into celebrating and elevating food while caring for the environment. With a particular focus on fresh, seasonal and local produce, we do our best to lower the km's of our food.

You've got good taste and we're here for it. Got a specific style in mind? Allow us to create custom menus to suit your event needs. Try us, we don't bite.
