You've got good taste

Family is at the core of everything we do and our food philosophy is no exception. Our aim is for you and your guests to feel like you've been welcomed into our home – experiencing the best in beautifully simple flavours and presented in a way that helps you connect with the people around you. Every important moment should always be around a table full of incredible food – with all the colours, textures and tastes you'd expect from your favourite home-cooked meal.

We're really into celebrating and elevating food while caring for the environment. With a particular focus on fresh, seasonal and local produce, we do our best to lower the km's of our food.

Western Wedding Menu

The Leonda By The Yarra wedding menu has been artfully created by our team of experienced chefs, designed around seasonal flavours presented in a shared style to help you connect with your neighbours through food or plated. To ensure that no guest goes home hungry, we have substantial portion sizes, and all main courses are served with side dishes to your tables, as well as a replenished bread service. This menu comes with our chef's selection of canapés on arrival, followed by either a 3, 4 or 5 course lunch or dinner.

Sri Lankan Menu

This more traditional option is perfect for those who want to stay true to their heritage, but still incorporate the Leonda, modern element to the day. Comprised of canapés on arrival followed by a 3 course menu designed to share with those on your table, it is filled with traditional dishes and flavours and is sure to please all your guests. This menu can also be offered as a fully vegetarian meal.

Fusion Banquet Menu

For those who have a lot of different personalities to please, or who wish to embrace both sides of the Leonda kitchen team's expertise, we can offer an exclusive Western and Sri Lankan fusion menu for your big day.

Extensive Beverage Package

Leonda By The Yarra offers three tiers of beverage packages for you to choose from when selecting your wedding beverages, as well as an extensive cocktail and spirits list. All beverage packages can be tailored to be non-alcoholic if you wish, and we also allow complimentary BYO of spirits (one bottle per table) if this is something you know your guests would enjoy.

Morning or Afternoon Tea

If you're wanting your guests to be well fed throughout all your ceremonial moments, we are happy to customise a morning or afternoon tea menu to be added alongside your lunch or dinner menu service. This will ensure your guests are well looked after, so you can relax and enjoy the big day.

10/10. Leonda by the Yarra was a venue that ticked all our boxes and went above and beyond to make our wedding celebrations absolutely magical! We had a 3 day wedding all held at Leonda by the Yarra! They were super accommodating with helping us organise our cultural ceremonies as well as our reception. It is such a beautiful venue, with amazing food and such lovely people. Would recommend it to anyone.

FAQs

What is your venue hire and per head cost?

There is no additional venue hire fee at Leonda By The Yarra, we have a per person package price that is all-inclusive for your convenience.

As for what that price is, that depends on a lot of factors because we're not a 'cookie cutter' kind of venue. We tailor our prices depending on your wedding date, your chosen package and how many guests you're having. Our event executives can help you with a quote for the wedding day that you are after, so please get in touch!

Will the minimum spend increase?

No, once the minimum spend has been confirmed in writing on your booking agreement it will not vary.

What is a minimum spend? What is it made up of?

A minimum spend is an overall amount that is agreed upon by both the venue and the client at a time of booking. It can be one figure, or it can be a minimum guest number amount instead. Either way, this amount can be made up of food, beverage or time in the venue. For example, if your booking agreement says your minimum guest number is 250, but closer to the day you realise it's going to be more like 220, the difference can be made up by upgrading your wine package, or adding in a cool food station for your guests so that you still get something for your money rather than us just charging a fee.

When is my next payment due after paying the deposit?

The 1st progress payment is due 6 months prior to your event date. The 2nd progress payment is due 3 months prior. Your final payment of the remaining balance is due no later than 7 days prior to the event date. Which means you get to relax in that final week and focus on more important.

What is the next stage after paying my deposit?

A deep breath and a glass of bubbles... because you're officially getting married! But after that, you can expect an introduction email from your personal wedding coordinator to introduce themselves, and also so you know who to contact moving forward. Then we give you a rest until around 10 months before your wedding where you will receive a planning checklist to help you get started. Within that checklist is a timeline so you'll know what to expect from then on.

Can I make a tentative booking?

We understand that making a decision on your preferred venue can take a little time and you may often need to consult your friends and family. So, we offer our potential clients a tentative booking for 3 days. This essentially places your name on the date, but is not a booking. Once the 3 days has expired, we will contact you to confirm your decision, or to have your name removed from the date. Our venue is very popular, so, unfortunately, we can't hold a date any longer than 3 days, as we often have a waiting list.

How do I confirm my booking?

Just ring or email us and say "yes!" Then we will create a booking agreement and a deposit invoice for you. Once the signed booking agreement has been returned to us and the deposit invoice has been paid, your booking is confirmed.

When do I have to give final numbers?

In order to make sure we order the correct amount of food, beverage and staff for your wedding, we do require that you inform us of your final guest (and supplier) numbers, including any allergies, no later than 7 working days prior to the event date.

FAQs (cont.)

At Leonda By The Yarra we pride ourselves on working with the best vendors that Melbourne has to offer, and as such, we're only comfortable recommending those who have been through a serious reference checking process. (You will receive a copy of this list when you book your wedding with us.)

What is your responsible service of alcohol policy?

All Leonda staff are trained in the Responsible Serving of Alcohol, and by law may refuse to serve alcohol to any person/s who seems to be intoxicated. Leonda By The Yarra prohibits any minors under the age of 18 years to be served or given any alcoholic beverages at any time regardless of who they are with.

Does Leonda cater for specific food allergies?

Yes, absolutely! We aim to provide suitable options for all our guests. We do, however, need adequate time to accommodate special requests and, therefore, all allergies must be confirmed alongside your final guest numbers 7 days before your wedding. A good way to ensure you get this information from your guests on time is to include a line in your invite which says: "Please RSVP with any allergies by this date."

Menu tasting

Leonda By The Yarra conducts complimentary, quarterly group menu tastings. Your event coordinator will advise which date will be available for you to attend based on the seasonal menu which will be applicable for your wedding date.

The menu tasting will give you the opportunity to sample a variety of dishes personally selected by our Head Chef to give you an indication of the quality, portion sizes and presentation of our dishes and the opportunity to sample our beverage packages and chat to our wine suppliers.

The group menu tasting is extended to the wedding couple and four guests of their choice. Additional guests or private menu tastings are available at an additional cost.
