Farewells made to last

When preparing to farewell a loved one, there's a desire for the occasion to be marked not entirely by sadness, but with warmth, love and light. Nestled along the Yarra with picturesque views throughout, the various event spaces at Leonda By The Yarra will provide tranquillity with their beautiful features and stunning views. Both rooms have their own private, outdoor area for your guests to enjoy the scenery in, and the entire venue comes with ample, complimentary car parking and is just minutes from the CBD. Combine all of this with our overwhelmingly tempting menus, you can be sure that your guests and loved ones will remember their loved one in a comfortable and stress-free environment.

You've got good taste

Catering's our jam and when it comes to food, we don't mess around. It's not over-complicated or intimidating – we're the sweet spot where careful abundance and quality ingredients meets simplicity. In short, nobody's going home hungry.

Family is at the core of everything we do and our food philosophy is no exception. Our aim is for you and your guests to feel like you've been welcomed into our home – experiencing the best in beautifully simple flavours and presented in a way that helps you connect with the people around you. Every important moment should always be around a table full of incredible food – with all the colours, textures and tastes you'd expect from your favourite home-cooked meal.

We're really into celebrating and elevating food while caring for the environment. With a particular focus on fresh, seasonal and local produce, we do our best to lower the kilometres of our food.

You've got good taste and we're here for it.
