NATASHA

SPARKS WILL FLY

With its sweeping vineyard views and breathtaking Yarra Valley charm, Elmswood Estate is one of Melbourne's most enchanting wedding venues. Our relaxed yet sophisticated vibe makes this winery the perfect place for picturesque ceremonies and elegant receptions.

Nestled among the rolling hills of the Yarra Valley, this venue has more romance than a candlelit dinner for two. Clink glasses on the sun-drenched terrace, take in the scenery through floor-to-ceiling windows, and capture golden-hour moments against a backdrop of endless vines. As the sun sets, indulge in exceptional wines crafted on-site and a feast designed to delight the senses.

At Elmswood Estate, every detail blends natural beauty with refined elegance, creating the perfect canvas for your happily ever after.

YOU'VE GOT GOOD TASTE

At Elmswood Estate, food is a celebration, and we believe it should be as authentic, abundant, and elegantly simple as the setting itself. No fuss, no over-complication – just beautifully crafted dishes where quality ingredients shine. We find the sweet spot between refined simplicity and indulgent abundance, ensuring everyone leaves with hearts full and plates empty.

Family and connection are at the heart of everything we do. When you dine with us, we want you and your guests to feel like you've been welcomed to a long, sun-drenched table in the heart of our vineyard. Expect flavours that are pure, presentation that invites conversation, and dishes designed to bring people together.

And because every perfect dish deserves the perfect pairing, we'll serve Elmswood Estate's exceptional wines, crafted right here from the very vines that surround you. The result? A sensory experience where every sip and every bite feels like a reflection of the place, the people, and the moment.

At Elmswood Estate, every cherished moment deserves to be celebrated around a table of incredible food and exquisite wine – brimming with colours, textures, and effortless elegance for your perfect day.

YOUR CURIOSITIES, UNCORKED

What is your venue hire and per head cost?

There is no additional venue hire fee at Elmswood Estate. We offer a per person package price that's all-inclusive for your convenience. The exact cost depends on a few factors because we believe every wedding should be as unique as your love story. Your pricing will be tailored based on your wedding date, chosen package, and guest numbers. Our event architects are ready to create a quote that suits the wedding day you envision, so please get in touch and let's start planning!

Will the minimum spend increase?

No, once the minimum spend has been confirmed in writing on your booking agreement it will not vary.

What is a minimum spend? What is it made up of?

A minimum spend is the agreed-upon amount between you and Melbourne Event Group at the time of booking. This can be a single figure or a minimum guest number. The minimum spend can include costs for food, beverages, or time in the venue.

For example, if your booking agreement sets a minimum of 120 guests, but closer to the day you're expecting 110, you can make up the difference by upgrading your wine package or adding a gourmet food station. This way, you receive extra value rather than facing a fee.

When is my next payment due after paying the deposit?

The 1st progress payment is due 6 months prior to your event date. The 2nd progress payment is due 3 month prior. Your final payment of the remaining balance is due no later than 7 days prior to the event date. Which means you get to relax in that final week and focus on more important.

What is the next stage after paying my deposit?

A deep breath and a glass of Elmswood Estate bubbles... because you're officially getting married! After that, you'll receive an introduction email from our Coordination Team so you know exactly who to contact moving forward. We'll give you a moment to soak it all in, and then, around 10 months before your wedding, you'll receive a planning checklist to help you get started. This checklist includes a detailed timeline so you'll know what to expect every step of the way.

Can I make a tentative booking?

Absolutely! We understand that choosing the perfect venue is a big decision, and you might want to consult friends and family first. We offer a 3-day tentative booking to hold your preferred date. This places your name on the date without locking it in. After 3 days, we'll reach out to confirm your decision or release the date. Due to high demand, we're unable to hold dates beyond this timeframe as there is often a waiting list.

How do I confirm my booking?

Simply ring or email us with a joyful "yes!" We'll then send you a booking agreement and a deposit invoice. Once you return the signed agreement and the deposit is paid, your booking is officially confirmed.

When do I have to give final numbers?

To ensure we have the right amount of food, beverages, and staff for your wedding, please provide your final guest numbers (including suppliers) and any dietary requirements no later than 14 working days before your event date. This helps us make sure everything is perfect for your celebration.
