Our Exclusive Mother's Day Inclusions

Mother's Day deserves more than a standard event package. It deserves those extra touches that make the room feel warm, feminine and genuinely celebratory. That is why we have curated a collection of exclusive inclusions, designed specifically for Mother's Day events across Melbourne Event Group venues. From the moment your guests arrive to the final cup of tea, every detail has been considered.

Mumm Sparkling on Arrival

A celebration should begin with a sparkle. Guests are welcomed with Mumm sparkling on arrival, setting the tone for a joyful and appreciative gathering. It is a small gesture that instantly elevates the occasion and creates a beautiful first impression. Because Mother's Day should feel a little special from the very first sip.

Coloured Napkins

It is often the subtle details that transform a space. Your Mother's Day event includes coloured napkins styled across your tables, adding softness, warmth and a refined feminine touch to the room. Paired with crisp table linen, this simple addition elevates the entire setting without the need for extra styling.

White Faux Floral Centrepieces

Elegant. Fresh. Timeless. Our white faux floral centrepieces sit beautifully atop clear styling towers, creating height, dimension and visual impact throughout the room. The result is a light, graceful aesthetic that feels perfect for a Mother's Day celebration. These statement pieces create atmosphere while keeping the room open and inviting for conversation.

Circulated Tea & Coffee Service

No Mother's Day gathering is complete without tea and coffee. Throughout your event, our team will circulate freshly brewed tea and coffee to guests, encouraging them to relax, linger and enjoy meaningful conversations. It is a simple yet thoughtful touch that brings comfort and connection to the celebration.
