Father's Day Lunch Package

Bringing people together

Let's get the party started

Just like you, your event is unique and nothing tickles us more than throwing a party that feels very you, while treating your favourite people at the same time.

We're thrilled to be on your team, helping you execute and enhance whatever you've got in mind. We promise to coordinate a truly special event, without missing a beat.

When we gather together to celebrate and appreciate, it's always around a spread of food with all the comforts of home-cooked classics. Our family-like hosting means a comfortable and memorable experience for all – without you lifting a finger. Mi casa, su casa.

The connection that comes from shared experiences means everything to us and no request is too big or small to help you deliver your most marvellous occasion yet.

And let's not forget the little ones! Treat your community to a delightful Father's Day feast, where kids and children can join in the celebration with special offerings designed just for them! We believe in creating a memorable experience for every guest, big and small.

A chef in a white shirt and grey apron is holding three white plates of food. The chef is wearing a name tag that says "EMILY". The food on the plates appears to be a seared fish fillet with a garnish of purple and green herbs and a drizzle of sauce. The background is a soft, out-of-focus indoor setting.

The service leading up to the event was great and the service was great on the night too. The venue was also looking incredibly beautiful on the night.

You've got good taste

Catering's our jam and when it comes to food, we don't mess around. It's not over-complicated or intimidating – we're the sweet spot where careful abundance and quality ingredients meets simplicity. In short, nobody's going home hungry.

Family is at the core of everything we do and our food philosophy is no exception. Our aim is for you and your guests to feel like you've been welcomed into our home – experiencing the best in beautifully simple flavours and presented in a way that helps you connect with the people around you. Every important moment should always be around a table full of incredible food – with all the colours, textures and tastes you'd expect from your favourite home-cooked meal.

We're really into celebrating and elevating food while caring for the environment. With a particular focus on fresh, seasonal and local produce, we do our best to lower the kilometres of our food.

You've got good taste and we're here for it. Got a specific style in mind? Allow us to create custom menus to suit your event needs. Try us, we don't bite.
